It was so great working with Peter and his team! Responsive, timely, and thorough – 10/10 would recommend to buyers and sellers in greater Killington area for a smooth deal.

Peter was always available to answer our questions.

My fiancé and I were first-time homebuyers and Peter couldn’t have been more helpful. There were times that we felt overwhelmed, but Peter was always available to answer our questions. Things went so smoothly on closing day before we knew it we were first-time homeowners!! Thanks again!

He is very personable, responsive and knowledgeable.

We bought a home in Killington VT, Peter was our attorney. He is very personable, responsive and knowledgeable. We felt very comfortable with the whole process. We would definitely use them again!
