Killington Mountain School

Pete Damore has been an active part of the KCS/KMS Development Programs for over a decade. His involvement has spanned rolls of coach, event organizer, volunteer, Technical Deligate, sponsor, community coordinator and most importantly parent.

Pete’s devotion to Killington Freestyle Ski Programs has been unmatched in the club’s history. He has dedicated countless time and resources to the betterment of Killington’s Freestyle Ski Programs.

Pete’s vision has been centered around community. He has initiated parent and community involvement in the realms of coaching, volunteering, fund raising and social events. Pete’s influence saw the completion of the KMS Four Season Bag Jump Facility as lead fundraiser, bolstered the Freestyle coaching staff through recruitment and training and helped organize some of the best ski events the club has ever held.

Balancing his passion for skiing and own businesses in real estate law, Pete has never turned down an opportunity to help KSC/KMS programs.

Pete’s roll as KSC/KMS Head Mogul Coach saw him accompany several athletes through the Eastern Freestyle Circuit and conclude their seasons at the Junior National Championships collecting notable results along the way. Pete also acted as Chief of Competition for numerous Killington Freestyle events such as the Killington Klassic and the Bear Mountain Mogul Challenge.

Pete’s continued commitment to KSC/KMS is even more impressive as his own children had moved on from the Programs years prior. Pete has proven himself time and again to be a selfless leader in our

community. Killington Freestyle would not be the same without him.
