

This was our second time using Green Mountain Lawyers

This was our second time using Green Mountain Lawyers and we can't recommend them enough. They are the best. Super professional and kind. Big shoutout to Alex, Pauline, Linda and all the pups.

Over the years I have

Over the years I have bought and sold properties and businesses with Dan as my attorney and have always been very pleased. I just sold another property in Killington and Linda did an exceptional job. I would highly recommend her.

Excellent customer service all around.

My wife and I just closed on a property in Killington, VT. Excellent customer service all around. They guided us through the process (particularly, the ins and outs of Vermont private road law). Always timely, always friendly, always professional. Would definitely recommend them!!!
